27th Annual Preschool Advantage Golf Invitational: New Venue, New Title Sponsor, and a New Way to Enjoy the Day

MORRISTOWN, NJ, April 4, 2023 -- Preschool Advantage is pleased to announce Provident Bank as the Presenting Sponsor of its 27th Annual Golf Invitational, which for the first time will be held at Hamilton Farm Golf Club in Gladstone, NJ on Monday, June 26th.

Provident Bank continues a long-standing tradition of partnering with Preschool Advantage on programs that benefit local families in need. The golf outing is one of the organization's primary fundraisers, and with a new venue for the annual event comes a new opportunity for guests to participate. W. Barry Thomson, local historian, author, and documentary producer will host an informative slideshow followed by a guided tour of the historic Hamilton Farm estate that encompasses both this magnificent golf course and an equally impressive equestrian facility, now home to the United States Equestrian Team (USET) Foundation.

With the support of sponsors and attendees, Preschool Advantage expects proceeds from the Golf Invitational, to fund tuition for 25 of the 100 local children the organization will support in the coming school year.

"We are thrilled to have our golf outing at a new and exciting venue, and we are so grateful for the support of Provident Bank and our other sponsors. All we need is some beautiful June weather, and this year's event is sure to be our most successful outing ever," says Event Chair and Preschool Advantage Trustee, Matt Mirett.

Preschool Advantage is a Morristown-based non-profit organization that has provided more than 1,500 families with financial assistance for high quality preschool education since 1995. For additional information visit www.preschooladvantage.org or call (973) 532-2501.
